I, Johnny W. Figueroa am Submitting this Complaint of my own free will and accord. I am a 45 year old U.S. Navy Veteran that was detained in Cook County Jail for 16 months awaiting trial.

During my pre-trial confinement, I was housed in Division 2/3 annex tier E2 from October 22, 2014 until March 18, 2015. After spending 5 months in 3 annex and completing the Westcare program, I was transferred to Division 1 tier G1 "Veterans Tier" designed for incarcerated Military Veterans. I was housed in division 1 for 11 months, March 18, 2015 until February 8, 2016.

The entire time I was detained in Cook County Jail I was living under inhumane living conditions. I submitted several grievances while I was housed in 3 annex to the Social Worker "MR. Hinton" that was never answered. I also wrote several grievances while I was housed in Division 1 to Social Worker "MRS. Freeman" and those were unanswered. "Div 1 was declared condemned"

The issues I filed the grievances about was "3anner"

1. The Showers were hardly ever warm.
2. The Shower walls had mold, mildew and bacteria on them.
3. The Floor drains in the Shower didn't work and I had to Shower while standing in cold, filthy water which caused me to catch athlete's feet that spread to my groin area causing Jock Itch. "I was treated in health care."
4. The Shower crew / Sanitation department never came to power wash the Showers.
5. The ceiling leaked causing the ceiling tiles to become soaked and begin falling due to the rain, melting ice and snow. Electrical wiring and asbestos was also exposed in the ceiling due to the missing tiles in the ceiling. Mop buckets had to be placed in the bunk area and day room to collect the water from the leaking ceiling.
6. There was a major rat and insect problem. Rats use to eat through my plastic County issued property bag and eat and destroy my commissary items and leave rat feces on my clean clothing and food items.
7. The heat hardly ever worked.
8. There was no drinking fountain or water cooler on the tier so I had to drink water out of the sink that the other 50 men used to brush their teeth, Comb their

hair, Shave and wash their face in. There was nothing to clean or sterilize the sink or faucets with. People also washed their underwear and socks in those sinks.

The issues I wrote grievances about in Division 1
Are:

1. The Showers had mold, mildew and bugs. The Showers were never power washed.
 2. The drinking water was brown in color with a foul odor.
 3. The heat did not work nor did the windows close.
 4. I was exposed to asbestos on the living unit and in Division 1 barber shop where I worked on 2nd Shift from March 18, 2015 until November 26, 2015.
 5. Division 1 had a rat and mice problem, The rats would climb in the bed with me. They would also eat and destroy my Commissary.
 6. While walking to and from Court, I would have to walk through 2-4 inches of water because the tunnels would flood due to the Corroding Concrete foundation from division 1 to Criminal Courts building.
 7. While working in Division 1 barber shop, I had to cut Maximum security level detainees hair and I was medium security level detainee housed in a Max division.
- * Also Division 1 was declared a condemned building.

I was also a participant in the Cook County Department of Corrections Veterans Laundry Management training Program.

We provided laundry services for the entire County Jail inmate population including Cermak Healthcare and a outside Contract for the Hyatt Hotel.

I filed grievances about the Work Conditions and inadequate Safety equipment but I never received a response.

These are the issues I filed a grievance about.

- 1). My daily tasks included Sorting and Washing Clothing that Contained human urine, feces, blood, vomit and semen. I was never issued proper protective uniforms or adequate safety equipment.
- 2). I was placed in a high risk situation for Contracting an airborne communicable disease and exposure to blood-borne pathogens.
- 3). I was never offered a hepatitis B vaccination or any other medication to prevent me from Contracting any infectious disease.
- 4). The laundry room was located in the basement of Division 5 and it had poor ventilation causing my breathing to become labored at times. Also, asbestos was exposed on the walls.
- 5). There were no designated break room to eat my lunch so I had to eat my lunch around soiled laundry.

On May 17, 2015 I lost my mother to Cancer. During this time I was under tremendous grief so I requested to speak to a grief Counselor or Chaplain. I was told that someone would come speak with me but no one ever did.

Eventually the inhumane living conditions along with the unsatisfactory and unsanitary work environment and the unaddressed grief I had suppressed took its toll on me leaving me to feel defeated, discouraged and depressed, so I plead guilty to the charges I was facing just so I could get out of Cook County Jail.

I feel that my rights have been violated and that the inhumane living conditions and the unsatisfactory work environment were unconstitutional that's why I'm filing this Complaint.

I enclosed certificates and verification letters to support the dates I was in 3 Annex, Division 1 and working in barbershop and laundry. 1.) Cook County Department of Corrections Veterans Laundry Management Training Program Credit verification letter 2.) CCDOC Veterans Laundry Management Training Program "Veterans letter of agreement". 3.) Cook County Sheriff's Office Inmate Work/Program Credit Verification Request "for working in Division 1 Barber shop" signed by Commander Tate. 4.) Certificate of Completion of the 120 day Westcare program in 3 Annex. 5.) Certificate of Completion of the Westcare Inside Out Dads program in 3 Annex 6.) Mothers Obituary.

Just as in the military, the program teaches everyone involved to work as a team to accomplish similar goals and take pride in the work accomplished.

The daily tasks include: sorting, washing, drying, folding, order filling, sanitation and preventive maintenance tasks on commercial grade laundry machinery.

In addition, the program also makes available to the incarcerated veterans a more productive environment to help prepare the Veteran through life skills training that help in the re-entry process of society. The Veteran will learn a skill through the Veteran's laundry program and will gain a positive sense of accomplishment.

A Mother's Love

A mother's love is located somewhere in a special place
It can't be measured or defined by time or space.
It can't be contained like the wind caught in a ship's sail
But it can turn into tough love when all else fails.
A mother's love is priceless, more beautiful than a
precious jewel
It's been known to build character stronger than any
carpenter's tool.
It will take on the world for the sake of an innocent child
It's famous for wiping away tears and replacing them
with smiles.
A mother's love never rests and it doesn't know the meaning
of sleep
And the guidance you've given me in life, it's in my heart
for keeps.
I have been blessed to be protected by your unwavering love
You are truly one of God's angels sent from heaven above.
So as you read this poem, know that I took the time to pray
That my words will bring you joy, on this very special
Mother's Day.

Happy Mother's Day Mama!
Love You Always
